

Curtis E. LeMay, 16th. Flight

Order of Daedalians

Dear

Attached you will find your application for Daedalians. See instructions on the back of the application form for Named Membership (you don't have to type - hand printed is fine). Be sure that you complete Part II of the application form and the Personal Data Form. Remember to also attach a non-returnable copy of your Official Aeronautical Rating Order. Plus if retired, a copy of your retirement orders or DD Form 214. If you served your hitch and got out, prior to retirement eligibility, then we will need a copy of your discharge certificate.

As noted on the back of the application National Dues and registration are \$ 40.00. Our local dues are \$ 20.00 and the cost of a Daedalian nametag is \$ 10.00.

Please complete the enclosed application and the Flight Roster Information data sheet (indicate on this slip exactly how you want your name to appear on your Daedalian nametag). Then mail back to me this paperwork along with your two checks. One to "National Order of Daedalians" for \$ 40.00 and the other one to "Curtis E. LeMay flight # 16" for \$ 30.00. I will then process this paperwork for our Flight as well as National and get you on our mailing list for the monthly Flyer.
